Handwritten text in a medieval script, likely Latin, located in the bottom left corner of the page. The text is arranged in approximately 20 lines, though some are partially obscured by the binding of the book. The script is a cursive Gothic hand, typical of the late 14th or early 15th century. The ink is dark, and the parchment shows signs of age and staining.

Handwritten text in a medieval script, likely Latin, located in the bottom right corner of the page. This block of text is also arranged in approximately 20 lines. It appears to be a continuation of the text from the left side, or perhaps a separate entry. The script is consistent with the one on the left. The parchment is heavily stained with large, irregular brown and reddish patches, particularly in the center and right side of the page.

The image shows a manuscript page from the Voynich manuscript, featuring two columns of text written in Voynich script. The parchment is aged and stained. The left column contains a list of items, possibly names or descriptions, while the right column contains a list of numbers or quantities. The text is written in a dark ink on a light brown background.
